# 110° of Oscillating **WAYCOOL®** Air

Now you can purchase our WayCool® with an oscillating air-duct. With an arc of 110°, the oscillating WayCool® distributes cool air to an even larger area. *No other* evaporative cooler on the market offers this unique advantage. The unique WayCool® design STILL dramatically outperforms all other portable evaporative coolers, with greater cool air output, smaller size, lower cost and good looks.

**WayCool® reduces air temperature up to 20°F!**
